#### \* Cash for the referer:

To be awarded \$50 cash, you must be a WorkPlace Banking participant and make a qualified referral. In order to make a qualifying referral, your co-worker must present a referral coupon when they open their eligible PNC WorkPlace Banking checking account, and they must also satisfy the specific requirements to earn the monetary reward applicable to their eligible PNC WorkPlace Banking checking account available at the time they open the account. \$50 cash will be awarded within 60 days after the monetary reward is issued to the co-worker. The \$50 cash award is limited to ten referrals per calendar year - up to \$500.00. This offer may be extended modified or withdrawn at any time without prior notice and may vary by market. Although this \$50 cash award will not automatically generate a 1099 from PNC, that does not waive your obligation to report this income on your taxes. Consult with your tax advisor.

#### \*\* \$100 for the referee:

New personal checking account must be opened between 1/1/2013 and 6/30/2013. To qualify for a \$75 reward, a PNC Bank Visa® Check Card must be issued to you, a qualifying direct deposit must be received, and at least 10 purchases made with your Check Card must post to your checking account within 60 days of account opening. To qualify for an additional \$25 reward, the conditions for earning \$75 must be met and a minimum of 5 payments must be completed via PNC Online Bill Pay, also within 60 days of account opening. Your checking account must remain open in order for you to receive the \$75 or \$100 reward, which will be credited to the eligible account within 60 days after all conditions have been met and will be identified as "Cash Trans Promo Reward" on your monthly statement. A qualifying Direct Deposit is defined as a recurring Direct Deposit of a paycheck, pension, Social Security or other regular monthly income electronically deposited into a Performance or Performance Select Checking Account, or the Spend Account of a Virtual Wallet Performance. The total amount of all qualifying direct deposits credited to your checking account must be at least \$750. The Direct Deposit must be made by an employer or an outside agency. Transfers from one account to another, or deposits made at a branch or ATM, do not qualify as Direct Deposits. New account will not be eligible for offer if any signer has signing authority on an existing PNC Bank consumer checking account or has closed an account within the past 90 days. Limit one premium per new account. If multiple accounts are opened with the same signers, only one account will be eligible for the premium. For this offer signing authority will be defined by the customer name(s) and social security number(s) registered on the account. In the event that we determine in our sole discretion that your account does not meet the eligibility criteria or the activity on your account does not qualify as a Qualifying Direct Deposit, we will not be obligated to credit your account with the payout.
