The Credit Union Difference

A credit union is a member-owned, not-for-profit financial institution. Since 1961, NSWC Federal Credit Union has provided low loan rates, competitive savings yields and a wide variety of products and services for our members. Today, we are keeping pace with the latest advances but still keeping in touch with our members' needs, offering cutting edge technology as well as service with a smile. At NSWC Federal Credit Union you'll always find the financial services you need—and you'll never be just a number.
