**Appeals:**

All students wishing to appeal a citation must do so online through the Parking Portal in Banner SSB (Self-Service Banner). All tickets have a deadline of twenty (20) days from the date of issuance to be appealed. If the citation is not being appealed, payment must be made within twenty (20) days of issuance.

An appeal is based on extenuating circumstances and should not be filed if an individual has clearly failed to observe the University parking policy and regulations.
